

USPS Network Optimization Lunch-N-Learn April 27 at North Metro

Over 80 PCC members enjoyed the second in a series of “Lunch-n-Learn” sessions on April 27 at the North Metro USPS processing facility. Joey Mauldin, Network Optimization Coordinator (center) and Scott Raymond, Lead Plant Manager shared the current Atlanta District

plan to optimize the processing network. They outlined the potential changes to assure the best possible experience going forward. Following the presentation a tour of the North Metro facility was provided. The tour is always welcomed by PCC members who can “connect-the-dots” between DMM regulations and the processing equipment.

GAPCC Executive Board member, Anita Pursley with RR Donnelley, was recognized by Patrick Donahoe for her contributions as the Mailers Technical Advisory Committee Industry Chair.

GAPCC Executive Board Members toured the Atlanta Network Distribution Center prior to their April Executive Board Meeting. Anita Pursley, Ted Artis (NDC Plant Engineer), Darrell Coffee, Wanda Senne, Franklin McMillan, and Carol Chantos.

Mitchell Gound
Pitney Bowes Presort Services
PCC Industry Co-Chair

A Message from the Board— By Mitchell Gound, Pitney Bowes Presort Services, and Industry Co-Chair

National PCC day is just a little over 4 months away and we are proud to unveil our PCC Day theme and logo...
Ta Daaaa.....

You will begin seeing this on upcoming mailings, press releases and on our website. We have made great progress: secured a venue, chosen caterers, obtained sponsorships, and are in

full swing promoting the event.

As a cost saving measure, the USPS has decided not to broadcast the event live this year so we will be the only city in America that will see the PMG live on September 19th.

With this change we are expecting a huge turnout this year and have secured additional space to accommodate the additional mailing professionals that will be joining us from outside the Atlanta area. Even though planning PCC day is taking up a lot of our time,

we continue to focus on our Lunch and Learn series of education events, our annual golf outing and networking events for our PCC members.

Please bookmark our webpage at www.gapcc.net and check us out often to be sure you are kept up to date on our future events. I would like to close this month's article by expressing my appreciation to our sponsor members and the support of the Atlanta mailing community. Participation has been increasing and we are truly grateful.

Maged S. Aziz
Postmaster Atlanta
PCC Postal Co-Chair

A Message from the Board— By Maged S. Aziz, Postmaster Atlanta and Postal Co-Chair

At the recent National Postal Forum, Patrick Donahoe, Postmaster General and CEO told the audience, "As an industry, we have to retain what differentiates mail and physical delivery, and bring it into the future. It's astonishing how much is changing in the ways people communicate. Mail has to be a part of

these changes."

The PMG and other executives met with more than 350 PCC members from around the country at the NPF, reminding attendees that an important goal of the PCC program is to receive customer feedback. I look forward to seeing you at our upcoming PCC

events to listen to your ideas and gather your feedback that will be shared with USPS executives. Be sure to register for our upcoming events. Thank you for your business and see you soon.

GrayHair Software, GAPCC Gold Sponsor Member, and their Exhibit Hall Flash Mob took many of us by surprise! Look close and you'll see a few of the Atlanta PCC members enjoying the totally unique event that took place during the Welcome Reception.

Dorothy Sweeney, Juanita Flemister with the GA Dept of Revenue; Rebecca Steiger, Kansas City PCC Co-Chair. Over 75 Atlanta customers attended the NPF and had a wonderful time learning the newest mail innovations, spending time in the exhibit hall and networking!

Salvatore Vacca, Atlanta District Manager and Maged Aziz, Postmaster Atlanta at the Atlanta District Pre-NPF luncheon
